Surplus OEM Parts at NxSemi.com

We understand that effective spare parts management plays a critical role in keeping your operation running. To improve your efficiency in the procurement of spare parts, we've launched a new online customer support site at NxSemi.com. It's a simple, fast, and cost-effective way for you to obtain new and used OEM parts at up to 50% savings over the current OEM list price.

INVENTORY SEARCH

Access one of the largest on-hand inventories of new surplus OEM parts at NxSemi.com. You can search by individual part number or send us your multiple-item parts list. We will run your query against current inventory, quote available parts, and upload the list to your secure online parts account.

UP TO 50% OFF OEM LIST PRICE*

We acquire parts through surplus purchases, consignment, and auctions -- then pass the savings onto you. Visit NxSemi.com for pricing at significant savings over the cost of OEM.

NO-HASSLE RETURNS**

Every new parts transaction is backed by a 30-day right of return policy. See reverse side for details.

RAPID DELIVERY

We commit to shipping your order within 24-hours of confirmation. Same-day priority service is also available. Check delivery status, select your preferred carrier, and set routing preferences at NxSemi.com.

ONLINE ORDERING

Register for your free online account at NxSemi.com to manage all aspects of the parts procurement process from a central, online location.

- › *Manage your parts usage list*
- › *Run inventory match inquiries*
- › *Real-time order processing*
- › *Complete price visibility*
- › *View purchase history*

GLOBAL SHIPPING

With convenient warehouse locations in North America (*Austin, Texas*) and Asia (*Kumamoto, Japan*), we've reduced the time and expense of long-haul shipping.

CUSTOMER SERVICE

Our customer service team is ready to provide prompt, personable, and knowledgeable technical support to help meet all of your spare parts needs. Contact us by phone at 512-933-1100 or email parts@nxsemi.com.

NxEdge SMG Parts Program

*PRICE MATCH GUARANTEE

New surplus OEM parts are fully-qualified in original packaging and priced up to 50% off the current OEM list price. If you find that our price does not beat the OEM price and are able to produce valid documentation, we will issue an immediate price adjustment up to 50% off the current OEM price. Valid sources include direct documentation from the OEM or a copy of an OEM customer quote no more than one month old. For more information or to request a price adjustment, email parts@nxsemi.com or call 1-512-933-1100, 9 a.m.-6 p.m. (CST) / Monday-Friday.

SAVERS DISCOUNTED PARTS

NxEdge Savers features new and used parts priced up to 70% off the current OEM list price. Savers parts are sold 'as is' and, in most cases, not in original OEM packaging. All Savers sales are final. To browse Savers inventory online, visit NxSemi.com and select 'Savers' from the pull-down menu on the Search Inventory page. To request the most current Savers inventory list by email, call Customer Service at 1-512-933-1100, 9 a.m.-6 p.m. (CST) / Monday-Friday, or email parts@nxsemi.com.

PAYMENT OPTIONS

NxEdge Secondary Market Group (SMG) accepts payment by Credit Card (Visa, MasterCard, AmEx) and Wire Transfer. NxEdge SMG Preferred Customer Accounts are available to corporations, government agencies, educational institutions, and non-profit organizations that purchase large volumes of parts annually and maintain accounts in good standing. Upon establishing an account with us, net 30 terms will apply to all orders. To apply for a Preferred Customer Account, please request an account application with Customer Service at 1-512-933-1100, 9 a.m.-6 p.m. (CST) / Monday-Friday, or email parts@nxsemi.com.

**NO-HASSLE RETURN POLICY

New OEM parts purchases are eligible for a full refund or credit if received within 30 days from the date your order shipped. Returns will not be accepted after 30 days. All items require a Return Merchandise Authorization (RMA) before they can be returned. Please contact Customer Service at 1-512-933-1100, 9 a.m.-6 p.m. (CST) / Monday-Friday, for RMA instructions and to arrange for a merchandise credit.

Savers inventory is sold 'as is' and cannot be returned. All Savers sales are final.

Novellus second source parts carry a 90-day warranty.

NEW INVENTORY ALERTS

Be the first to know when new inventory arrives! NxEdge SMG sends out updated inventory lists via email to preferred customers as soon as new parts are received in our warehouse. Request to receive New OEM and Savers inventory alerts by emailing parts@nxsemi.com or by calling 1-512-933-1100, 9 a.m.-6 p.m. (CST) / Monday-Friday.

Email Privacy - At NxEdge SMG, we value the privacy of our customers. By requesting to receive inventory email alerts, you will not be added to any additional distribution list without your expressed permission. You may elect to opt out from receiving future email communications from NxEdge SMG at any time. Further, your contact information will not be shared with or sold to a third party. For more information about our Privacy Policy, please visit NxSemi.com.

CONVERT SURPLUS INVENTORY TO CASH

Looking to monetize your surplus parts inventory? Gain access to our proven sales, marketing, and distribution resources to move large lots of both new and used OEM parts. As part of our program, we will analyze your lot potential and recommend options specific to your needs to ensure you get the most cash out of your surplus inventory. To learn more, contact us at 1-512-933-1100, 9 a.m.-6 p.m. (CST) / Monday-Friday.
